HELLO
SPRING

Resident in the Spotlight

Sandy Walsh- Apt 108

Sandy moved to SpringBrook in November of 2025! She grew up on the Northside of LaCrosse and went to Logan High School. She has 4 children and several grandchildren. Sandy loves to sew, and a lot of her career revolved around it; from selling sewing machines for different companies such as Sears and Husqvarna, to working in fabric shops, to clothing alterations. She says sewing is still her favorite hobby, along with other crafts. Sandy enjoys SpringBrook because she is making many new friends, and says the staff here makes the best hot chocolate! We are glad to have you at SpringBrook Sandy!

Fun Tid Bit:

- Sandy loves getting people to laugh! She says it is fun to do.

Employee of the Month

March: April Stuckey

April, a member of our Healthcare staff, is March's Employee of the Month! April picks up extra shifts, helps her co-workers, and was an invaluable asset during a key transition period.

April's favorite part of her job is interacting with the residents; She says hearing their stories and backgrounds is very informative and enlightening.

April says being able to piggyback ideas off of co-workers, and being able to communicate easily with management helps her succeed at her job; she says the teamwork between everyone is great!

April shares the same heritage with a particular resident, and she says that makes caring for her even more special. Thank you, April, for your care and compassion to the SpringBrook residents; we all very much appreciate you!
